Mr. Willie Riddick,
919 Faulkland St.,
Norfolk, Va.

Dear Willie:

I don't suppose you are terribly surprised to hear from me, as the baseball season is drawing near. I want to come to Norfolk on either May 7th, 8th or 9th and bring the Cuban Stars. I want you to see Mr. Gay and see if he can get the Park for us. I know they have not had any Colored baseball in the Park as yet. I will have to have an answer right away, because the time is drawing near.

Will appreciate having you take care of this for me right away.

Hoping you and all are well.

Very truly yours,
